

Math·U·See®

Algebra 1: Principles of Secondary Mathematics

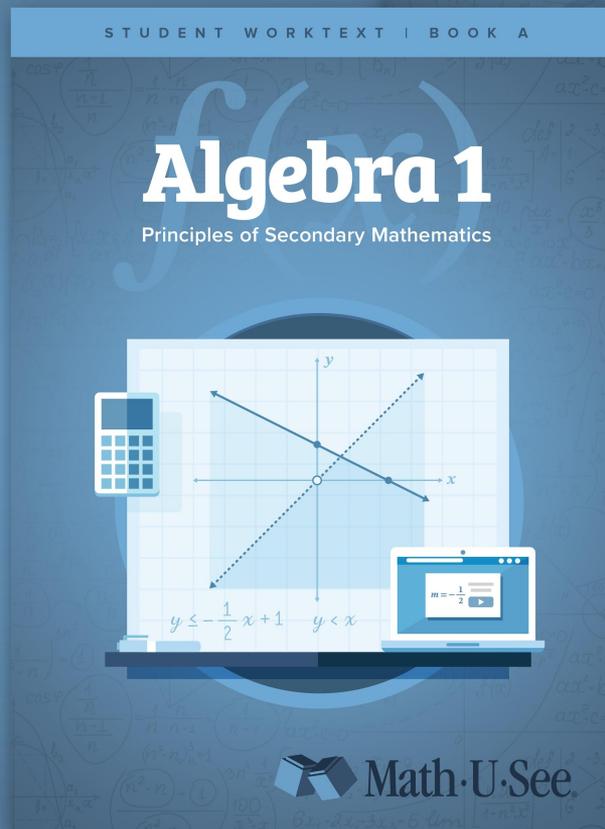

Bundles and Pricing
(as of July 2022)

Bundles

Considerations

- What is needed to use the program successfully?
- What will give the customer the best experience?
- What components need to be advertised and available on the store?
- What do we believe the customer will want to purchase?

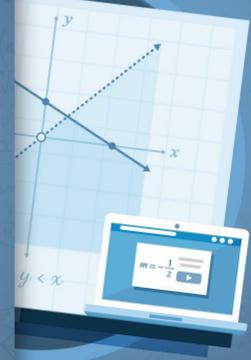

Elements & Bundles

INSTRUCTOR HANDBOOK | BOOK A
